What do you enjoy most about MCC?	It has become part of life. It is the mosque in our city Pleasanton. So I go there daily whenever I am home to perform prayer as much as possible. I enjoy meetin gour Muslim brother. Enjoy the various activities specially during Ramadan and Eid.
What do you think can be improved about MCC?	The youth is our future. However, during Covid there are almost no youth-related activities. On the other hand, MCA Santa Clara has plenty of activities for youth. We should have more youth activities. Also should have a playground like MCA where our children can play. We should have a tea corner, restaurant or cafe; where we can meet. Many of us go outside to groceries, gas stations, supermarkets, malls - maintaining social distance and wearing masks. So we can have all activities in MCC maintaining city and state regulation.

What kind of positive impact will you bring to MCC?

InshAllah we will make MCC where:

1. Youth can enjoy with different activities
2. Kids have playground
3. Both older and younger generation can enjoy themselves in cafe and restaurant
4. Should have career improvement such as learning software, management-related courses, advice people for career, job., etc.
5. For single Muslim and their family we can have matchmaking activities
