Are you currently or have you been an MCC Board Member?	No
How many years have you been part of the MCC community?	23 years + (since 1998)
What do you enjoy most about MCC?	<p>The camaraderie, the brotherhood and the community events from pre-pandemic classes. I also used to enjoy the religious and community talks with guest speakers during the pre-pandemic days.</p> <p>I miss the annual BBQ we used to host which was great for networking and community gathering.</p>
What do you think can be improved about MCC?	<p>We need to become self-sufficient and explore ways to do that. For example, one program that I have been part of is designating MCC as my religious charity on Amazon Smile program. We need to work on communication with the youth by using social media and not just email or Facebook. And by holding more events and sports events that attract our youth, who are our future.</p>

	<p>We should also host the CAIR-like community events every two years and invite guest speakers, show how MCC is impacting the community and also raise some money.</p>
<p>What kind of positive impact will you bring to MCC?</p>	<p>As a long-term resident of this community right from the days of ICPD, I have a special place in my heart for MCC. I want to see it flourish and reach other communities in the SF Bay Area. I am also involved in my housing community as a board member as a volunteer and also a member of the Architectural Review Committee in the same housing Laguna Oaks community.</p> <p>With my 20 + years experience in the tech industry, with startups and Fortune 500 companies. I feel like I can bring a unique perspective to MCC.</p> <p>I have also been the main organizer of the Annual MCC Golf Tournament over the past 8 years and we have made it a huge success with participation by players from San Ramon to San Jose and even Stockton. What this has done is make more people know about MCC.</p> <p>If given a chance to serve this community, my focus will be to involve the youth of our wonderful community with events like our Annual BBQ community event and sports activities.</p> <p>Also work on more social media presence as I am currently doing for a charity organization as its Social Media Director.</p> <p>In short, I want to give back to this community by investing my time and skills. I want to “Pay It Forward”.</p>
