<p>What do you think can be improved about MCC?</p>	<ul style="list-style-type: none"> ● As we all see our community is growing and there are some challenges, the area which I personally feel to improve, and focus is on Aqidah and Cultivating Adab in our Youth by running a few regular programs and inculcating foundational Islamic knowledge. (Eg: schedule one Friday Khutbahh with one Khateeb to do a series on Aqidah, Ahsan, foundational knowledge). ● A very important program of Hifz-UI-Quran in MCC would be a dream In Sha’A ALLAH, this service can be a very big-time achievement for MCC. AlhamduLiLaah, we have world-class Qari/Hafez, and this program can bring our youth to connect with the Quran. ● Leadership programs for youth and community by inviting successful people to MCC facility and planning seminars. ● Continuing the excellent programs like Sisters Halaqa and New convert programs. ● Looking forward to working on Funeral Services (having at MCC or collaborating with Masajids closely, Field trip for young adults to learn about the Funeral process).
