

**There are over 25 million refugees worldwide.  
Half of all refugees are children.**

**WHO ARE UNACCOMPANIED  
REFUGEE MINORS (URM)?**

Countless children are forced to flee their countries due to persecution and war. Separated from family or orphaned by war, and sometimes exploited by child traffickers, these children are displaced and alone.

The Refugee Foster Care Program is devoted to providing long-term quality care to unaccompanied refugee children in the Bay Area. We utilize a comprehensive model of service to ensure we are meeting the best interest of each client, and paving the way for them to thrive in our community.
